Sub: Regarding mass ABHA creation and ABDM awareness generation drive in higher educational institutions

Ref: Mission Director, National Health Mission, Assam letter vide No.NHM-53013/2/2022-ABDM/18725, dated:14/11/2022

Respected Sir/Madam,

With reference to the subject cited above, I would like to inform you that hon'ble Prime Minister had launched Ayushman Bharat Digital Mission (ABDM) across the country on 27<sup>th</sup> September 2021.

The interoperable platform created through ABDM enables creation of longitudinal electronic health records for every citizen. Through **Ayushman Bharat Health Account (ABHA) and ABDM enabled personal Health Record (PHR)** applications, citizens shall have the facility to link, securely store and access their medical records digitally. This give citizens complete control over their health records and ability to choose what to share with their Health care providers.

The youth of the country are tech-savvy and wants everything at a click, ABDM would enable them to have ready access to their comprehensive health records and would assist them in seeking the best health care solution for themselves.

Creating ABHA for them and making them aware of the ABDM ecosystem through their educational institute will help them in the development of their longitudinal health records.

You are therefore requested to initiate a mass ABHA creation and ABDM awareness drive in all the educational institutes under your respective jurisdiction focusing on creation of ABHA and linking of digital health records.

To create ABHA in ABDM portal all have to bring AADHAAR Card along with linked mobile number along with them.

Please share a schedule for the same so we can provide team to monitor and assist the process.

This is for favour of your kind information.

Thanking you

Enclosure: Letter from the MD, NHM, Assam alongwith procedure for creation of ABHA.

Your's faithfully

Sub: Application for providing a Medical Team.

Sir/Madam,

With due respect I would like to inform you that NSS Unit of Birjhora Mahavidyalaya adopted Nigamghola village of Bongaigaon district for next three years to extend various social services for the upliftment of the village community. Village adoption and extension of different kinds of services to the nearby rural people is a flagship programme of the colleges which is conducting as per Govt. of India instruction. In this connection, NSS Unit of the college likes to organize a free health check up camp to extend medical services among the rural people of Nigamghola village on 28<sup>th</sup> November, 2022. I, therefore request you to provide a medical team with necessary medicine on said day. The health check up programme is expecting to start from 11 am and will continue till 3 pm at Nigamghola L.P. School campus.

This is for your kind approval and necessary action.

Thanking You,
