

Best Practice 3

1. Title of the Practice: Departmental Library Visit.
2. Objectives of the Practice:
The objectives/intended outcome of this practice is to instil on the students the habit of reading and to make them aware of different resources for self learning.
3. The Context:
 - (a) The Library resource is among the important faculty that is offered to students.
 - (b) The Library provides free access to text books, magazines, newspaper, journals and internet sources.
 - (c) The UGC also offers NLIST program funded by the MHRD to extend access to e-resources to colleges covered under section 12B.
 - (d) The students are encouraged to take advantage of the above by visiting the library.

The Practice:

- (a) The librarian conducts an orientation program for the students on N-LIST.
 - (b) A prize for the most frequent visitor to library is awarded to the students during annual college.
 - (c) Periodically the teacher accompanies the students to the library where they explore the different resources for academics and career related purposes.
4. Evidence of success:
 - (a) Photos are attached.
 - (b) Register maintained.
5. Problems Encountered and Resources required:
 - (a) Students need to be motivated towards the reading habit and consultation of books other than recommended textbook.
 - (b) Insufficient net facility to access e-resources.
 - (c) Limited time and availability of schedule within working days.
